

HAVANA SOFA BED

BY MATARO FURNITURE

The **Cozy Mattress®** has changed what the world thought was impossible: a REAL BED MATTRESS in a sofa bed. Developed over a 19-year period by one of the industry's top motion designer, the Cozy Mattress® brings approximately 8.5" (21cm) of pillow-top, bed-quality comfort to the sleeper sofa.

Z-Spring Technology® is a dual innerspring system found inside the mattress that allows the 8.5" mattress to fold into the sofa bed mechanism. The extensively patented system provides support and comfort that parallels quality bed mattresses. The mattress is secured to one of the sleeper mechanism cross bars which allows the Z-springs to activate when the mattress is opened.
